

- 1.1.3 **Version of Record (“VoR”)**: the version of the Contribution that is formally published by Cambridge. This includes any ‘FirstView article’ that is formally identified as being published before the compilation of a volume or issue as long as it is citable via a permanent identifying Digital Object Identifier (“DOI”). This does not include any ‘early release article’ that has not yet been fixed by processes that are still to be applied, such as copy-editing, proof corrections, layout, and typesetting. The VoR includes any corrected or enhanced VoR.
- 1.2 The term **“Supplementary Material”** means any additional written or illustrative materials submitted or uploaded to the Journal by the (Co)Author(s) for publication in connection with the Contribution. Supplementary Material does not form part of the Contribution and will be made available in association with the Contribution in online format only. Supplementary Material may be original content created by the (Co)Author(s) (“**Original SM**”) or it may be third-party material sourced by the (Co)Author(s) (“**Third-party SM**”).
- 1.3 In consideration for publication of the Contribution and, subject to the exceptions listed in Clauses 3.2 and 4.1 below, the following is hereby assigned to the Proprietor by the (Co)Author(s):
- 1.3.1 the full copyright in the Contribution or any part of it in all forms and media and in all languages throughout the world, (which, for the avoidance of doubt, includes the right to publish, reproduce, distribute, and sell the Contribution or any part thereof in any form, whether print, digital or electronic, whether now known or hereinafter invented; and to grant sublicenses of all translation and subsidiary rights); and
- 1.3.2 all other rights in the nature of copyright, including rental, lending and database rights and all other publishing and print on demand rights in the Contribution.
- 1.4 The assignment of copyright described in Clause 1.3 above shall, throughout this CAF, be referred to as the **“Assignment”**.
- 1.5 The (Co)Author(s) hereby grant to the Proprietor a non-exclusive licence to:
- 1.5.1 publish, reproduce, distribute, and sell the Original SM or any part of it in all forms and media and in all languages throughout the world, whether print, digital / electronic, whether now known or hereinafter invented, and to grant sublicenses of all translation and subsidiary rights; and
- 1.5.2 exploit all other rights in the nature of copyright, including rental, lending and database rights and all other publishing and print on demand rights in the Original SM.
- 1.6 The Author hereby asserts his/her moral right (and, as applicable, has obtained authority from his/her CoAuthor(s) to assert their moral rights) always to be identified as the author(s) of the Contribution in accordance with the provisions of the UK Copyright, Designs and Patents Act 1988.
- 1.7 The Assignment and rights granted under Clause 1.5 above shall commence upon Cambridge’s formal acceptance to publish the Contribution and shall endure for the legal term of copyright in the Contribution.
- 1.8 For the avoidance of doubt, the (Co)Author(s) acknowledge and agree that the rights assigned / granted to the Proprietor in Clause 1.3 and 1.5 above will subsequently be licensed to Cambridge as the exclusive licensee and publisher of the Journal, as noted at the head of this CAF.

2 UNDERTAKINGS AND REPRESENTATIONS

- 2.1 The (Co)Author(s) hereby undertake and represent that:
- 2.1.1 they each have full authority and power to agree to this CAF;
- 2.1.2 the Contribution is original and has not been previously published in whole or in part;
- 2.1.3 the Contribution and any Supplementary Material contain nothing that infringes any existing copyright or licence or any other intellectual property right of any third-party;
- 2.1.4 the Contribution and any Supplementary Material contain nothing that breaches a duty of confidentiality or discloses any private or personal information of any person without that person’s written consent;
- 2.1.5 all statements contained in the Contribution and any Original SM purporting to be facts are true and any formula, instruction or equivalent contained therein will not, if followed accurately, cause any injury or damage to the user;
- 2.1.6 the Contribution and any Supplementary Material do not contain any libellous, unlawful or otherwise objectionable material, or any material which would harm the reputation of Cambridge;
- 2.1.7 where the Author is signing on behalf of the CoAuthor(s), the Author has obtained prior written consent from each of the CoAuthors expressly authorising the Author to do so
- 2.1.8 there are no actual or apparent conflicts of interest connected to the Contribution that have not previously been declared to Cambridge University Press. A conflict of interest is understood to exist if an interest (financial or otherwise) exerts or appears to exert undue influence on the analysis or conclusions in the Contribution, the

choice of subject matter, or in any other way that impedes or appears to impede the (Co)Author(s)’s objectivity or independence.

- 2.2 The (Co)Author(s) further confirm that for (i) any Third-party SM and (ii) any other third-party material (including but not limited to textual, illustrative, audio and video content) within the Contribution, licences to re-use said content throughout the world in all languages and in all forms and media have or will be obtained from the rights-holders; appropriate acknowledgement to the original source of all such materials has been made and, in the case of audio/video material, appropriate release forms have been obtained from the individual(s) whose likenesses are represented in the Contribution and/or Third-party SM, as applicable. Copies of all licences and/or release documentation will, on request, be forwarded to the Journal’s editor prior to publication of the Contribution.
- 2.3 In the event that the (Co)Author(s) are in breach of any of these undertakings Cambridge shall have the right to cease making the Contribution and/or any Supplementary Material available and/or to require that the (Co)Author(s) make any necessary changes to the Contribution and/or any Supplementary Material (including any factual information).

3 GREEN OPEN ACCESS

- 3.1 **“Green Open Access”** refers to the (Co)Author(s) right to self-archive specified digital versions of the Contribution notwithstanding the Assignment. For details of the Journal’s Green Open Access policy please follow the relevant hyperlinks at: **URL**
- 3.2 Under the Journal’s current Green Open Access policy, the (Co)Author(s) retain the non-exclusive, non-transferable, non-commercial rights to re-use or deposit digital versions of the Contribution as follows:

Digital Version	Personal Webpage of Contributor	Department / Institutional Repository	Non -commercial Subject Repository	Commercial Repository / Social Media Sites
SMUR	Any time	Any time	Any time	Any time
AM	On acceptance	On acceptance	On acceptance	Abstract only + link to COPP
VoR	Abstract only + link to COPP	Abstract only + link to COPP	Abstract only + link to COPP	Abstract only + link to COPP

- 3.3 All re-uses of the Contribution under the Journal’s Green Open Access policy must include:
- 3.3.1 a link to the Contribution on Cambridge’s Online Publication Platform (**“COPP”**) using a DOI link, e.g. [http://dx.doi.org/\[DOI\]](http://dx.doi.org/[DOI]);
- 3.3.2 a clear statement that all end-users of the Contribution may only make use of the Contribution for private research and study and may not distribute it further; and
- 3.3.3 a clear statement that the Contribution has been accepted for publication and will appear in a revised form subject to peer review and/or input from the Journal’s editor.
- 3.4 For the avoidance of doubt, re-use of the Contribution under the Green Policy does not affect the Assignment.
- 3.5 The Green Policy does **not** permit the full Contribution, in AM or VoR form, to be placed on any commercial website, platform, repository or scholarly collaboration network including, but not limited to: *ResearchGate*, *Academia.edu*, *Mendeley* or *LinkedIn*.

4 OTHER PERMITTED REUSE OF THE CONTRIBUTION

- 4.1 In addition to any rights permitted by the Green Open Access policy, the (Co)Author(s) may reuse the Contribution in accordance with its content reuse policy for Cambridge authors, the provisions of which are detailed on Cambridge’s website, here: <http://www.cambridge.org/about-us/rights-permissions/permissions/permissions-requests-our-authors/>.
- 4.2 For any other reuse of the Contribution which is not covered under this CAF, the (Co)Author(s) must approach Cambridge to request permission.

5 MISCELLANEOUS

- 5.1 Cambridge cooperates with various copyright licensing schemes which allow material to be photocopied within agreed restraints (e.g. the Copyright Clearance Center in the US and the Copyright Licensing Agency in the UK). Any proceeds received by Cambridge from such licences, together with any proceeds resulting from sales of subsidiary rights in the Contribution, shall be used by Cambridge to support the continuing publication of its academic works.
- 5.2 The information contained on this form will be held for record-keeping purposes by Cambridge. The name(s) of the Author and any CoAuthor(s) may be reproduced in the Journal and provided to print and online indexing and abstracting services and bibliographic databases. Cambridge complies with the UK Data Protection Act and its requirements for the retention, use and storage of Personal Data (as such term is defined in that Act).

6 ENTIRE AGREEMENT AND GOVERNING LAW

- 6.1 This CAF contains the entire agreement between Cambridge and the (Co)Author(s) concerning the Contribution and supersedes all related prior agreements, arrangements and understandings (whether written or oral). No

addition to or modification of any provision of this CAF shall be binding unless it is in writing and signed on behalf of Cambridge and the (Co)Author(s).

6.2 This CAF is governed by the laws of England and Wales and is subject to the exclusive jurisdiction of the English courts.
